Chairman Euro Lat

Brussels, 26 March 2008

Dear Mr. Salafranca,

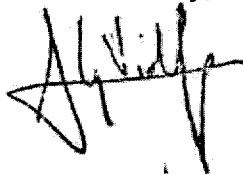

As Chairman of the Board of the European Business and Parliament Scheme, I would kindly ask you to inform all participants of the EuroLat Plenary Session in Lima at the next preparatory meeting about the following opportunities and activities:

The European Business and Parliament Scheme would be pleased to arrange individual programmes for the participants during their stay in Lima with visits to our member companies with activities in Peru. The companies are Suez, BBVA, BP and Telefónica. These programmes will provide the participants with knowledge about the company's operation and practical realities of business issues in Peru.

The European Business and Parliament Scheme already have the pleasure of inviting the participants of the EuroLat Plenary Session to an event the 28th of April hosted by Telefónica. The event aims to inform the participants of how the company promotes the abolition of child labour in Peru. The programme will take place in Lima the 28th of April from 16.00 to 20.00 and includes a visit to a school of the Programme Proniño, a guided tour of a photo exhibition by Fernando Morales about the abuse of child labour, and a visit to the "Circuito Mágico del Agua."

Please ask the secretariat of EuroLat to distribute this information to all the Members in order for them to be able to contact the European Business and Parliament Scheme Office (ASP 5 E 202, Tel. 42855) for further information and arrangements.

Yours Sincerely,

Alejo Vidal Quadras Roca
